

JZ Operations Concept - Digital Twin Operations (provisional)

Centennial Jingzhang AI Innovation Belt

Concept proposal - provisional boundary - recompute after official data

Overall Design Overview: JZ Operations Concept One Belt Three Nodes (Concept) PROVISIONAL boundary • not an official redline • recalculate after official data

Overall design scope ~11.4 km² - greenbelt spine - one hub one gallery one ring (provisional)

Three Nodes Index & Design Tasks (Concept Locations) PROVISIONAL boundary • not an official redline • recalculate after official data

Twin Hub - Sense Gallery - Co-Ops Ring - one hub one gallery one ring - slow-traffic linkage

Three nodes differentiated by Zhongzhiyuan, Beijing AI Origin Community, and Dazhongsi key areas; concept sites; final locations follow the organizer's official boundaries.

Conceptual Land-Use Structure (Single Caliber) PROVISIONAL boundary • not an official redline • recalculate after official data

Computed from land_use.geojson under EPSG:4548; six classes rounded to 100% on a single caliber; same formula across figures, HTML, and PDF; recompute after official data.

Class names follow the national Land-Use & Sea Classification Guide; rounded share to integer; recompute after official data.

Slow-Traffic Spine & Blue-Green Space (Concept) PROVISIONAL boundary • not an official redline • recalculate after official data

Continuous slow-traffic axis across three nodes - greenbelt spine - reversible low-impact facilities

Slow-traffic axis links three concept nodes; blue-green pockets distributed along the JZ Railway Heritage Park greenbelt; facilities reversible, demountable, reusable.

Standard two-wing names and custom band mapping

Current visual identity: graphic-free wordmark (rights-safe)

PROVISIONAL boundary • not an official redline • recalculate after official data

Bilingual wordmark, restrained palette, and explicit public-use boundary

京张运营概念

JZ Operations Concept

GRAPHIC-FREE WORDMARK / 无图形字标

Palette / 色板

Color	Hex Code
Dark Grey	#111827
Blue	#104ED8
Green	#15803D
Orange	#B45309

1u clear space on every side • no symbol, seal or emblem

Current specification / 现行规范

Wordmark pair: 京张运营概念 / JZ Operations Concept

Type: Noto Sans SC Regular 400 + Bold 700; Latin glyphs from same family

Clear space: 1u on all sides, where 1u = wordmark cap-height

Minimum: 24 px Chinese / 18 px English; 8 mm / 6 mm in print

Use: cover, A0/A3, HTML/PDF headers, wayfinding and event mock-ups

Rights: package search note only; no trademark or old mark; clearance required
