

Jing-Zhang Memory • AI Archive Gallery

Centennial Jingzhang AI Innovation Belt international call • public memory-archive concept study

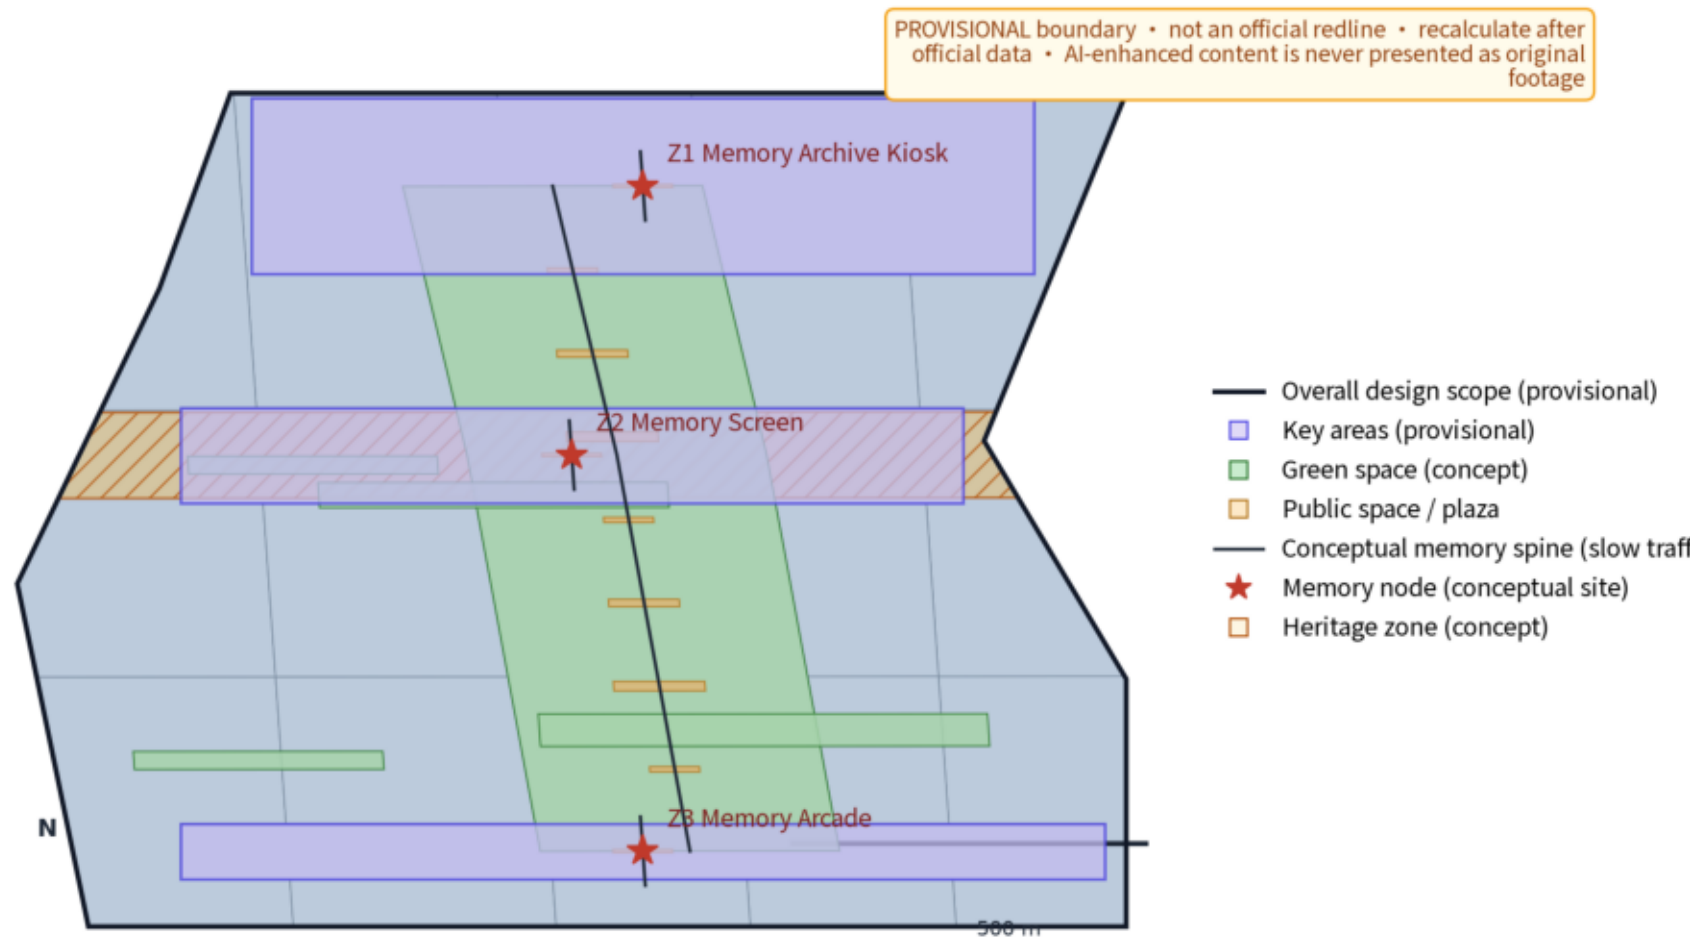

PROVISIONAL boundary • not an official redline • recalculate after official data • AI-enhanced content is never presented as original footage

Three-tier scopes (official text caliber): coordinated study / overall design / key areas; this package is the memory-archive sub-scope, all geometry provisional.

Overall Design Overview & Land-Use Structure

Overall design overview (provisional geometry)

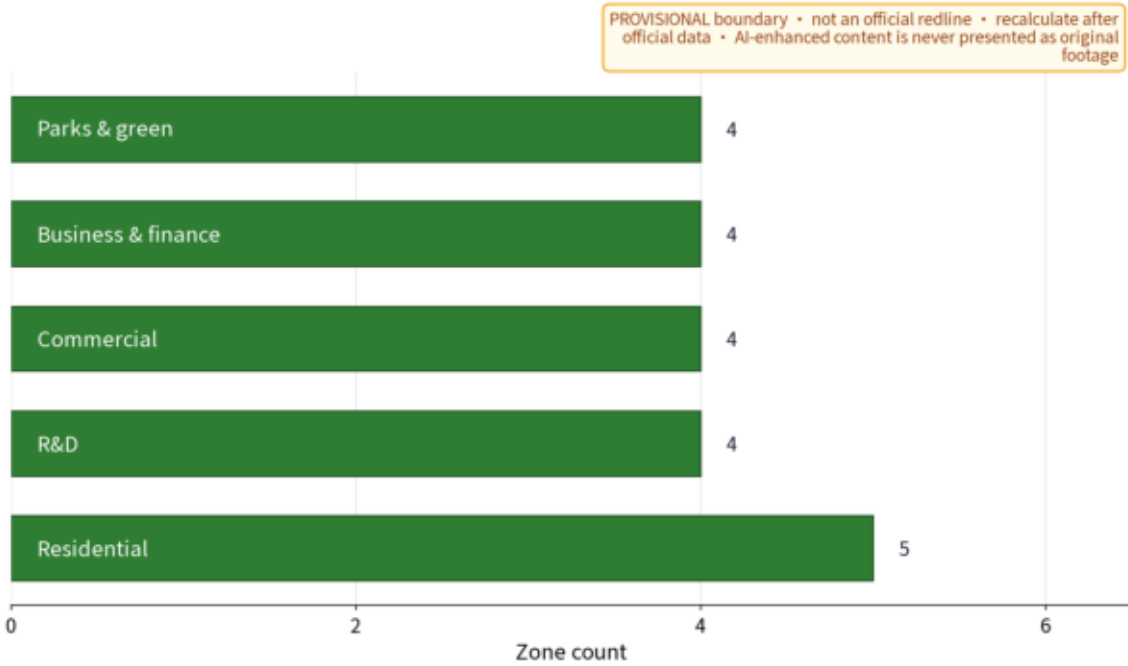

Overall Design Overview — Jing-Zhang Memory • AI Archive Gallery (provisional)

Areas and ratios are rounded concept values; recalculate by the declared formulas after the organizer publishes official boundaries and baseline data. Historical images/footage are directional only.

Conceptual land-use structure

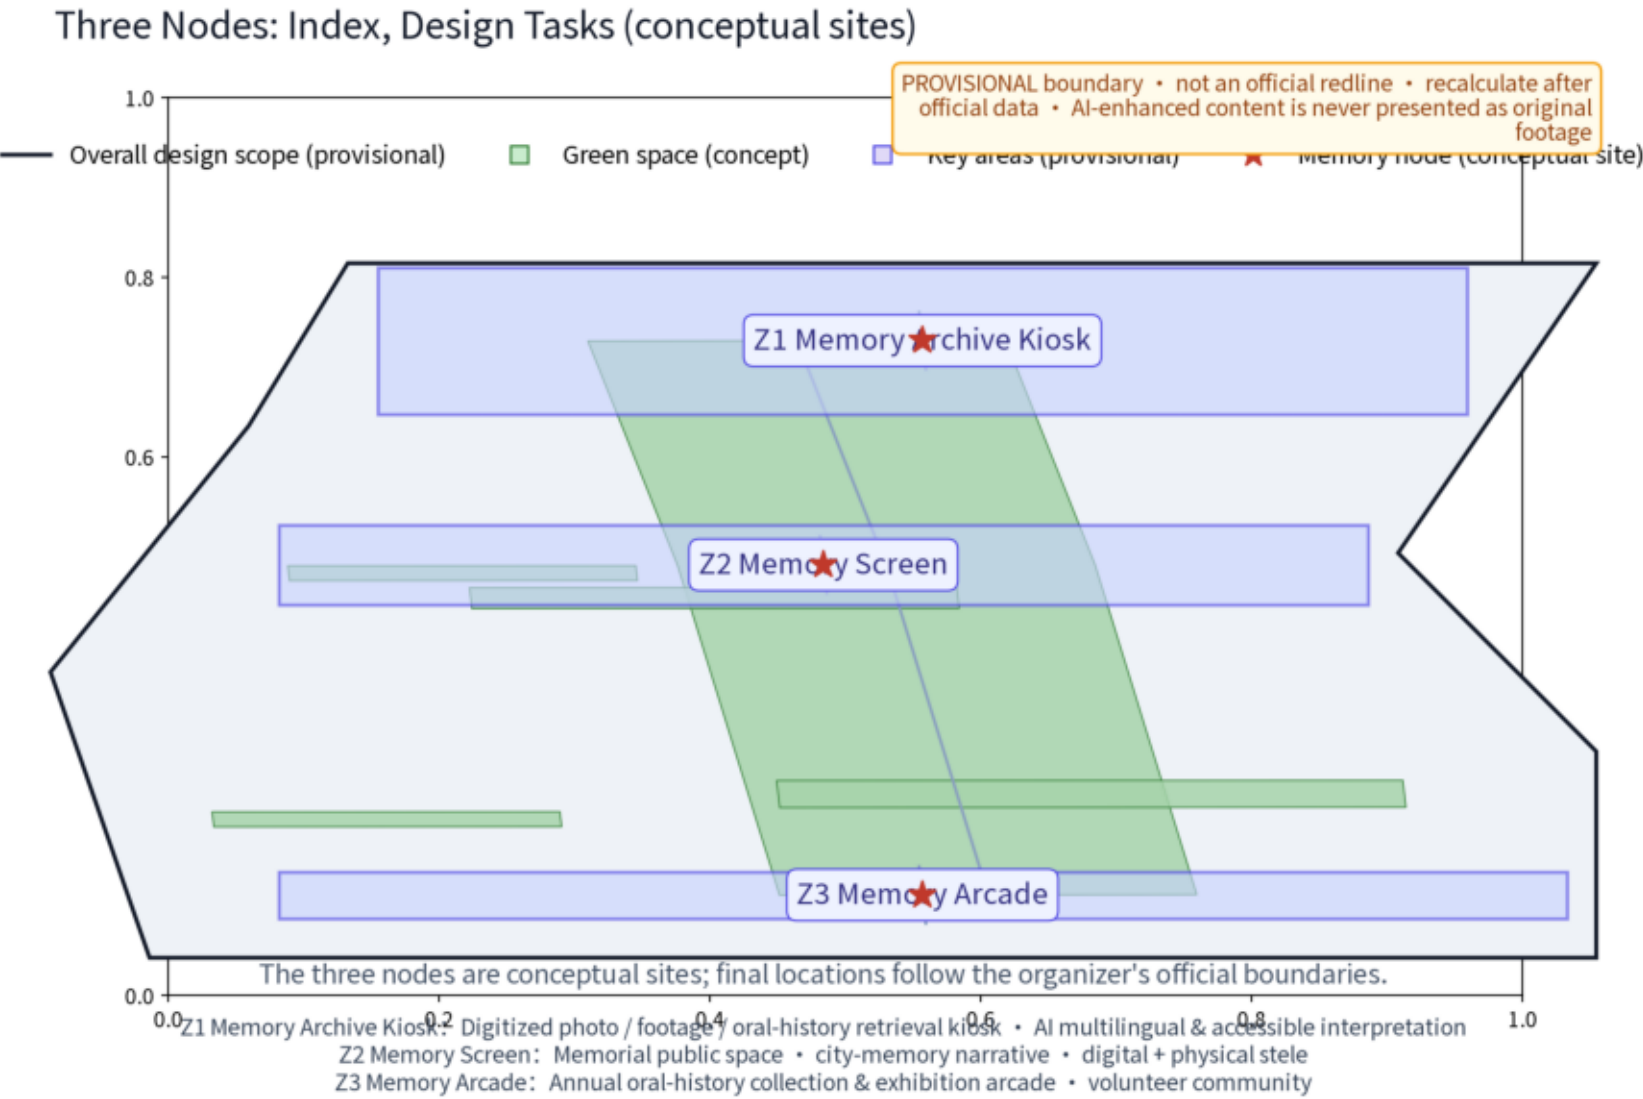

Conceptual land-use structure (zone counts in land_use.geojson, single caliber)

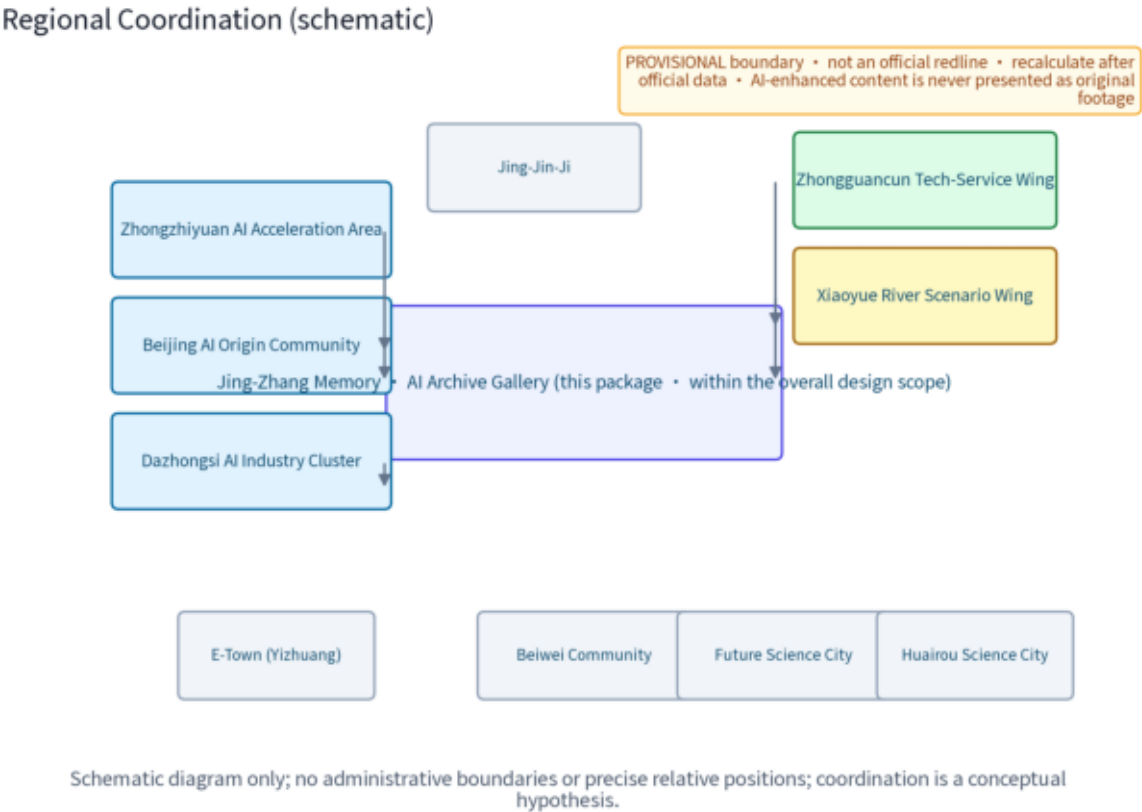

Land-use class names follow the national Land Use & Sea Classification Guide; no official baseline exists yet, shares are conceptual scenarios and will be recomputed by the same aggregation caliber after official data is published.

Three Nodes & Regional Coordination

Three Nodes: Index & Design Tasks

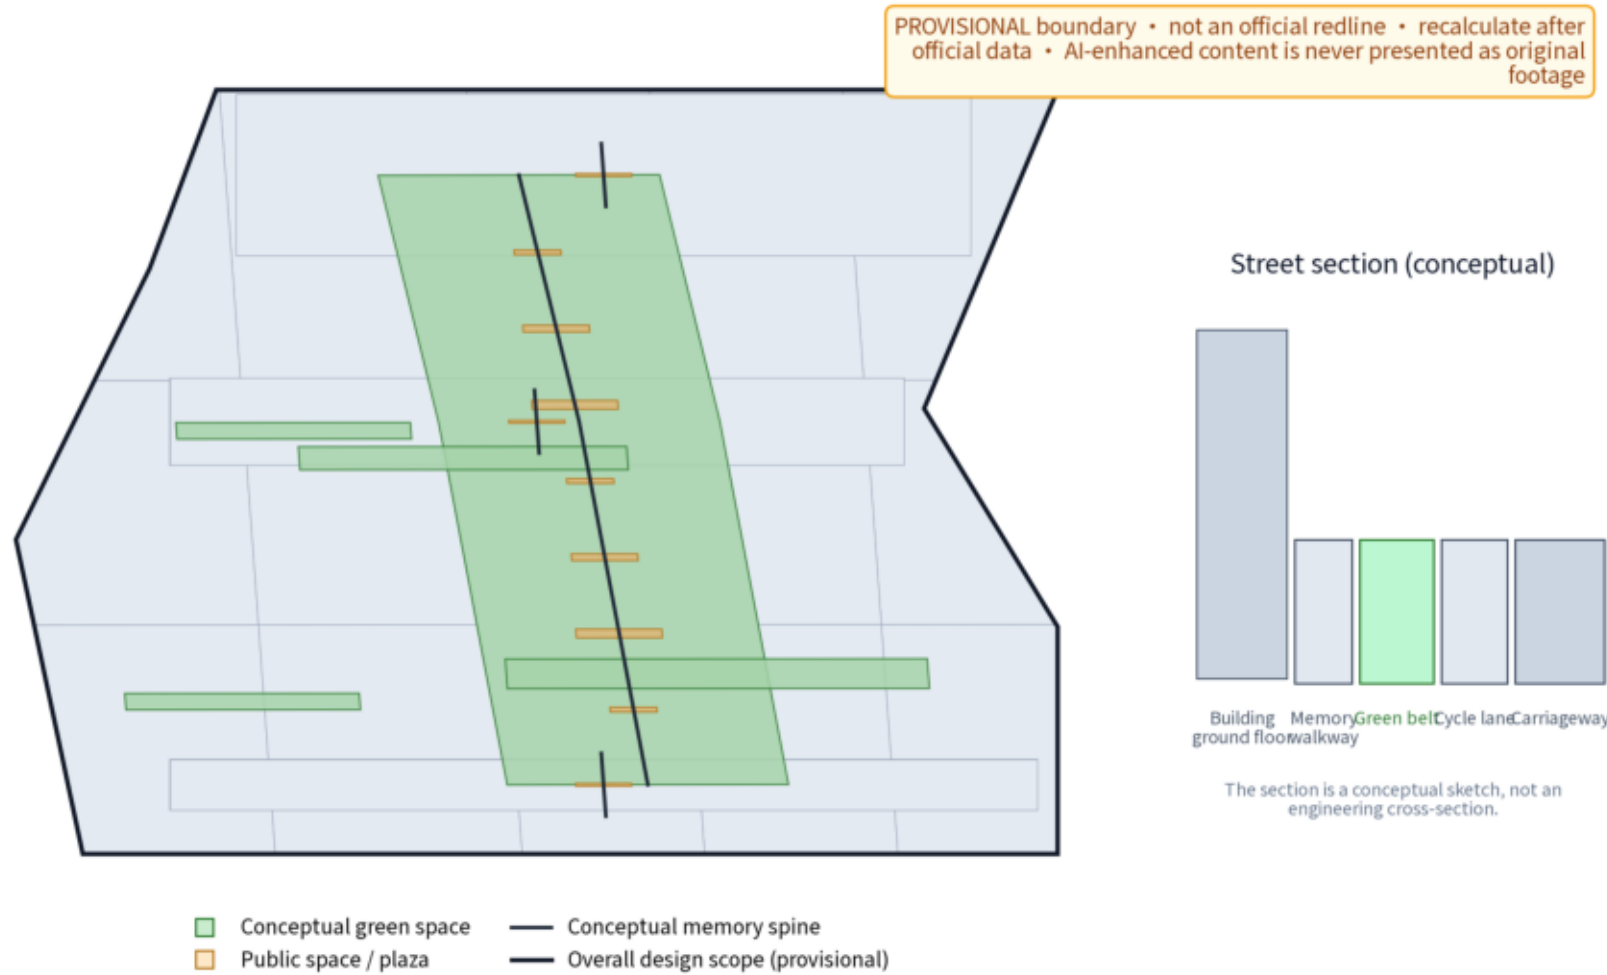

Regional Coordination (schematic)

Memory Route & Key Metrics

Memory route & blue-green network

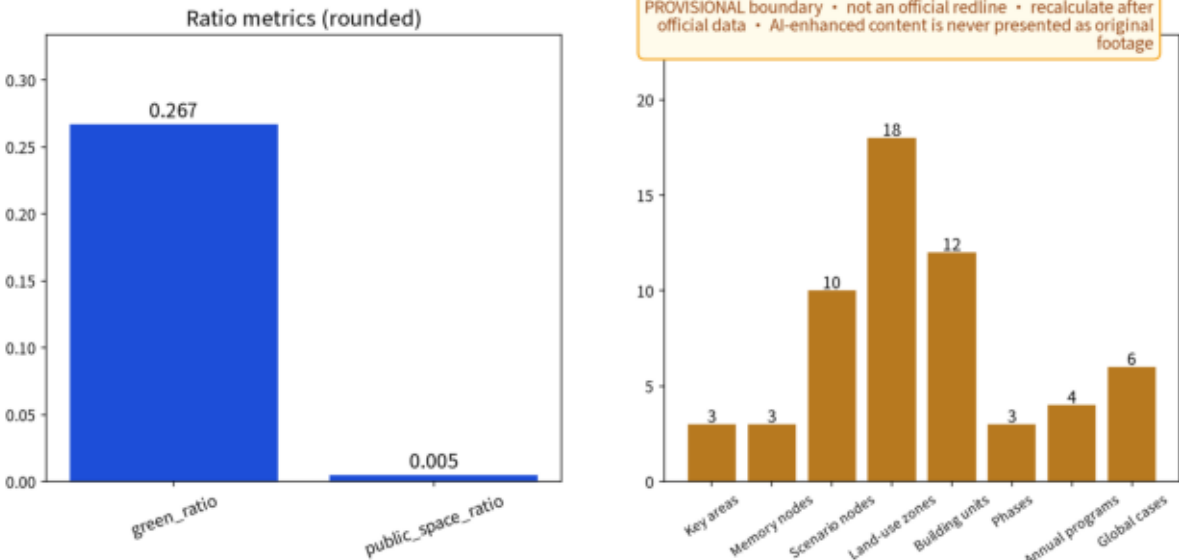

Memory Routes & Blue-Green Network (with street section)

Areas and ratios are rounded concept values; recalculate by the declared formulas after the organizer publishes official boundaries and baseline data. Historical images/footage are directional only.

Key metric evidence

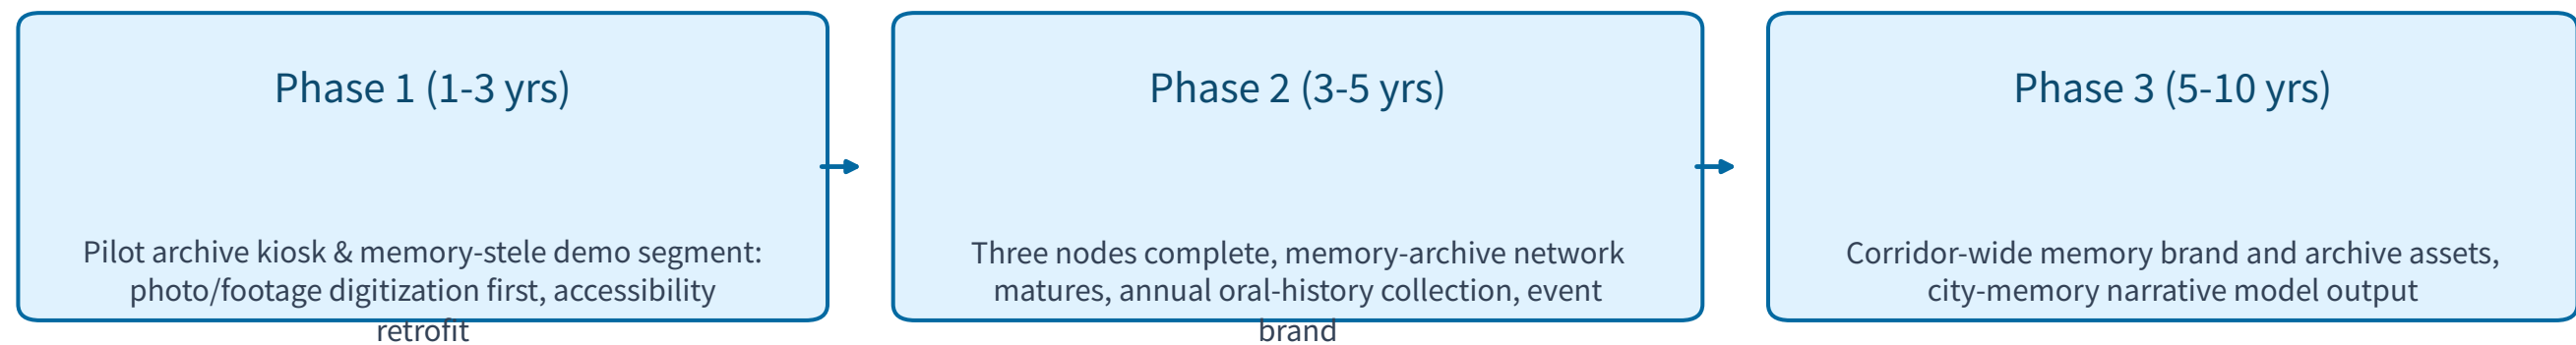

Key Metric Evidence (ratios and counts on separate axes, rounded)

Source: metrics.json; formulas, confidence, use limits and recompute triggers are listed in the metrics table of proposal.md.

Logo & Visual Identity • Phased Implementation

Logo & Visual Identity (concept)

Phasing is a conceptual rhythm, not an implementation commitment; every phase gate includes cost review, ownership confirmation, rights-ledger audit and public review.
