

SND • JZ Soundscape Loop - Concept (EN)

A3 Cover • Concept suggestion, reference proposal, not an official red line

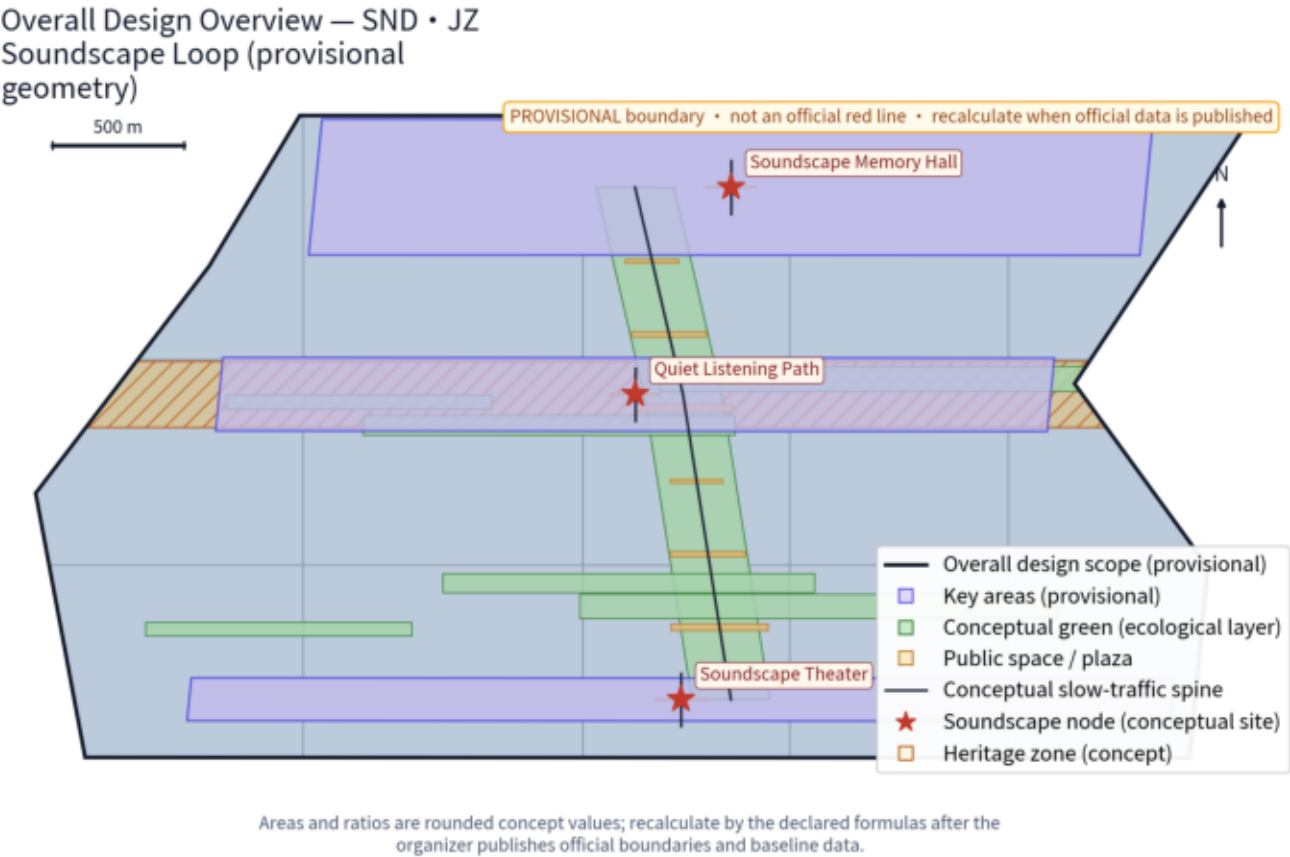

PROVISIONAL boundary • not an official red line • recalculate when official data is published

Three-tier scopes (official text caliber): coordinated study / overall design / key areas; this package is the soundscape sub-scope.

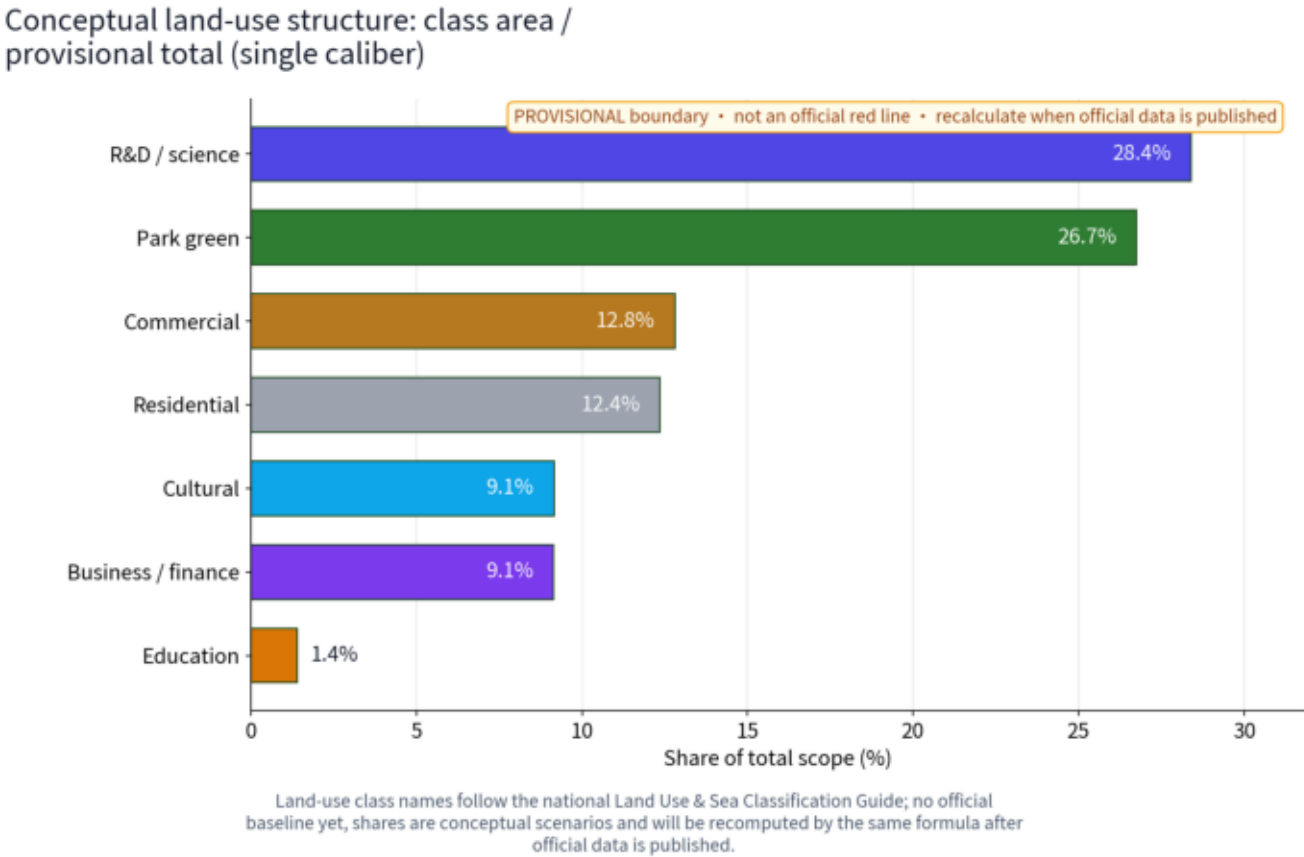

Submitted by JohnXu22786 • Concept booklet (A3, bilingual) • All geometry provisional

Overall Design & Land-Use

Overall design overview

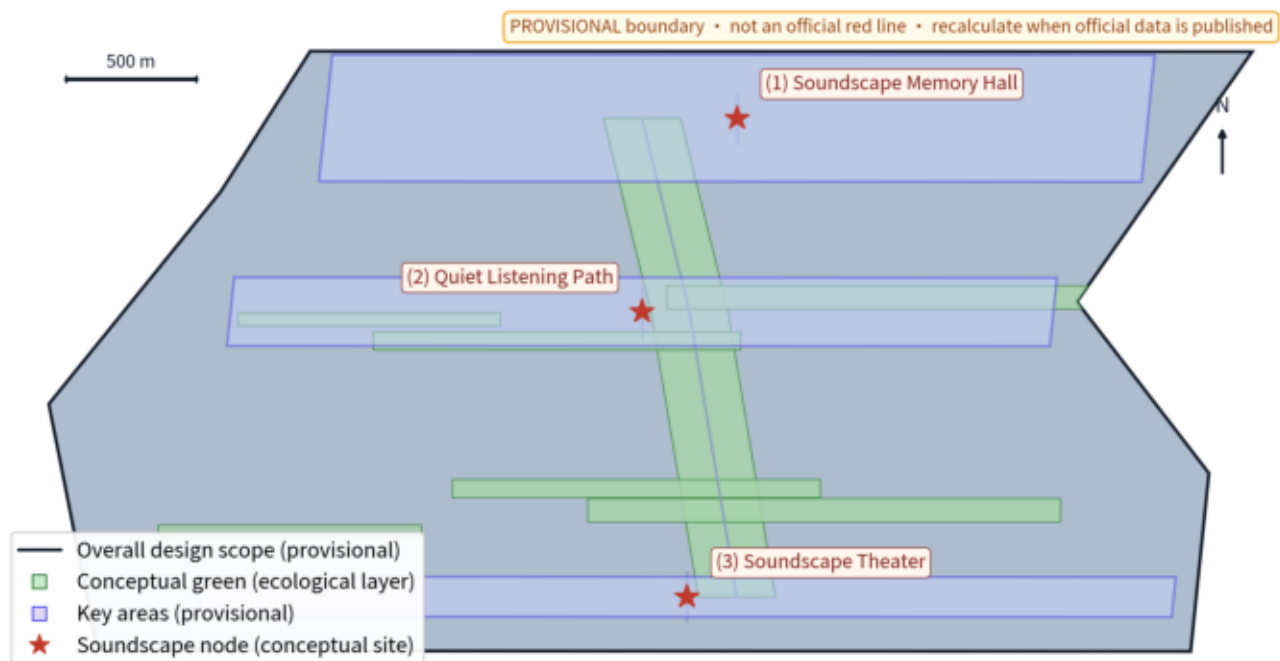

Conceptual land-use structure

Key Areas & Blue-Green Space

Key Area Detailed Design

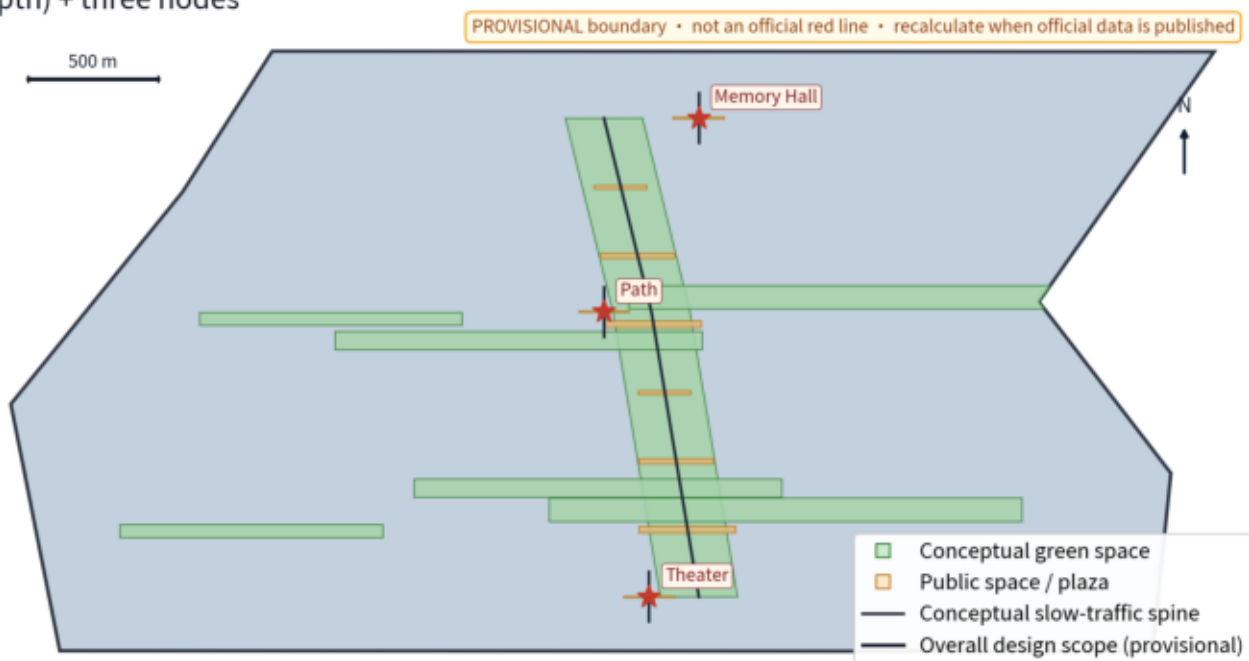

Key Area Detailed Design: three-node zoom & component layout (provisional concept)

The three nodes are conceptual sites; final locations follow the organizer's official boundaries.

Blue-Green & Slow Mobility

Blue-green space, public space & slow-traffic linkage: quiet route + quiet zones (in green depth) + three nodes

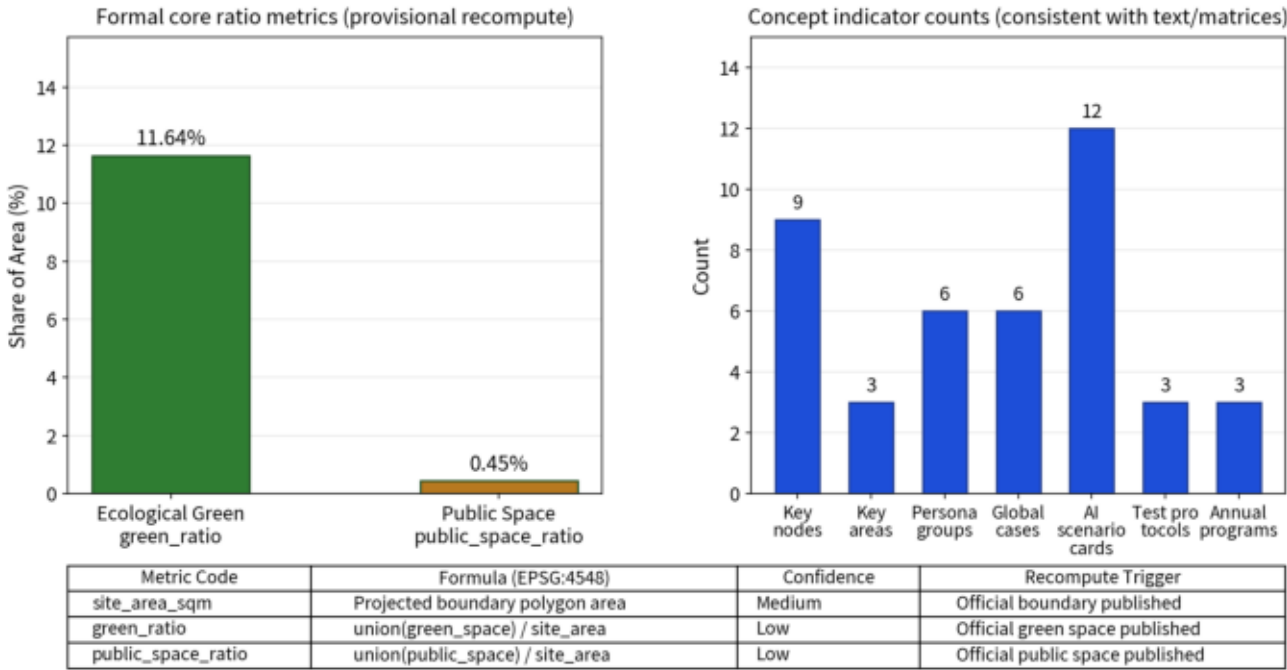

Areas and ratios are rounded concept values; recalculate by the declared formulas after the organizer publishes official boundaries and baseline data.

Metrics Evidence & Brand System

Core Metric Evidence

Metrics, area recalculation & compliance: core metric evidence (provisional)

PROVISIONAL boundary • not an official red line • recalculate when official data is published

Three formal core metrics: source - formula - confidence - use limit - recompute trigger
(participant provisional model data, not authoritative data)

Brand & Visual Identity

SND • JZ Soundscape Loop - Brand & Logo application board (concept)

PROVISIONAL boundary • not an official red line • recalculate when official data is published
