

- Three positions: Centennial Jingzhang Culture Belt, Urban AI-Life Experience Belt, AI-Integrated Innovation Belt.
- Structure: one Seasonal Response Line + Summer Index Deck, Autumn Echo Yard and Winter Light Porch.
- Governance: Real services use only necessary fields; controller, proposed legal basis, access, retention/deletion, withdrawal and incident response remain to verify; anonymization/aggregation applies only to statistics; human review governs key decisions.

- Zhongzhiyuan carries industry co-testing; AI Origin carries culture and bilingual correction; Dazhongsi carries small-business service and evening prompts.
- 12 scenario cards, 4 test protocols and 6 personas retain non-AI alternatives, exits and disclosure.
- Exact siting, rights, heritage, engineering, capacity, funding and partnerships remain to verify.

AI ecosystem map: seasonal feedback as auditable interfaces

Four gates: anonymous aggregate -> human review -> small rotation -> disclose / withdraw

CONCEPT PROPOSAL • PROVISIONAL ROUGH CONSTRAINT • RECOMPUTE WITH OFFICIAL DATA
