· Announcement tasks	17/17 PASS	· Mandatory standards	5/5 PASS	· Provisional tagging	all layers
· Agent tasks	6/6 PASS	· Design-depth items	15/15 PASS	· Statutory conditions	unknown→pending

Boundary note: all boundaries and derived metrics are provisional (inferred from announcement text), not official; concept_far = unknown; all indicators recalculated once official geometry and regulatory conditions are released. Open co-creation proposal, not a substitute for formal planning. All embedded figures are the English versions; the full bilingual set is in assets/figures.
