

Twin-Track Jing-Zhang: Ordinary Life Continuous, Verification Beside

Ordinary civic ground works first; verification appears only beside it

30 / 3 / 15

Read the spatial ruling—follow an ordinary task—trace evidence and professional handoff.

Present-day Haidian and Overall Spatial Structure

PRESENT-DAY HAIDIAN

Published material reports an open Phase II and about nine kilometres of continuous green corridor. The proposal does not claim another park; it considers reversible public-service additions that do not interrupt existing daily life.

Three Non-interchangeable Spatial Prototypes

S03 / THREE PLAN PROTOTYPES / KEY AREAS

G0 • PROVISIONAL • NOT TO SCALE

One spatial decision, three non-interchangeable answers

Common ruling: proof may not take ordinary ground. Each place answers with beside, stepped-back courts or off-route service. G0 • provisional • not approved.

01 VERIFY • ZHONGZHIYUAN

Parallel bypass + side proof garden

ordinary route never crosses proof edge
staffed handoff sits between routes

REJECT: PROOF CROSSES KEEP: BESIDE

02 CO-CREATE • ORIGIN COMMUNITY

Street + two courts + four withdrawals

resident street stays open
proof enters from the edge, never takes the street

REJECT: NODES TAKE STREET KEEP: COURTS STEP BACK

03 PUBLISH • DAZHONGSI

Four-way cross + off-route service

clear centre carries no proof
hall and staffed desk sit off-route

REJECT: SERVICE TAKES CENTRE KEEP: OFF-ROUTE

All three keep ordinary paths and non-AI entry first • failure stops proof objects only • restoration returns the ground before recheck and is not approval, authorization or G1 • FIELD / GO / RIGHTS remain gated

S04 / GROUND-THRESHOLD SECTIONS / KEY-AREA SECTIONS

G0 • PROVISIONAL • NOT TO SCALE

Three sections clarify stop objects, staff positions and restoration

Sections express spatial responsibility only and claim no unverified dimensions, materials, slopes, fire safety, railway protection or accessibility acceptance.

01 VERIFY • ZHONGZHIYUAN / PARALLEL SECTION

Bypass below / proof court above

FAILURE: enclosure and equipment leave; bypass stays
RESTORE: clear court, then recheck; not G1

02 CO-CREATE • ORIGIN / STREET-COURT SECTION

Street through / two courts back

FAILURE: proof withdraws to the edge; street and courts continue
RESTORE: paper/spoken/staffed first; restart remains a decision

03 PUBLISH • DAZHONGSI / COMMUTE SECTION

Commute clear / service aside

FAILURE: close the service side only; commute remains
RESTORE: correct sources and retest; not authorization or approval

G0 conceptual sections • not to scale • levels, dimensions, materials, structure, fire safety, railway protection, accessibility outcomes, staffing and recovery duration remain unverified / unknown / 0

Three Ground—Threshold—Ordinary-task Relations

ZHONGZHIYUAN

01 VERIFY • ZHONGZHIYUAN / PARALLEL SECTION
Bypass below / proof court above

FAILURE: enclosure and equipment leave; bypass stays
RESTORE: clear court, then recheck; not G1

ORIGIN COMMUNITY

02 CO-CREATE • ORIGIN / STREET-COURT SECTION
Street through / two courts back

FAILURE: proof withdraws to the edge; street and courts continue
RESTORE: paper/spoken/staffed first; restart remains a decision

DAZHONGSI

03 PUBLISH • DAZHONGSI / COMMUTE SECTION
Commute clear / service aside

FAILURE: close the service side only; commute remains
RESTORE: correct sources and retest; not authorization or approval

CONDITIONAL FIT

Continuous bypass first; equipment-side court isolatable.

CONDITIONAL FIT

Resident street first; two courts and four nodes withdraw independently.

CONDITIONAL FIT

Four-way commute first; information and staff stay off-route.

Human Scale and Four-state Civic Signals

RECOVERY AUTHORIZATION

Official redline, exact anchors, real thresholds, responsible parties, approvals and independent clearance remain 0 or unknown. Restoring ordinary use is not authorization, approval, restart or G1.

Eight Projects, Climate and Year-round Operations

8 PROJECTS • GO / NO-GO

PRECONDITION / STOP / RETURN

The eight existing projects state preconditions, duty combinations, concept acceptance and exit. Missing ordinary baseline, staff takeover or accepted duty retains GO / NO-GO.

CLIMATE + MAINTENANCE

STOP / RETURN

Ordinary blue-green paths and maintenance clearance work first; extreme weather or maintenance conflict closes the optional overlay.

YEAR-ROUND OPERATIONS

STOP / RETURN

The timetable records opening, stopping, place return and review only; it invents no roster, shift, budget or event commitment.

Metrics, Risk, Rights and Professional Handoff

11.41 km² • 12.62% • 1.28%

Provisional model area, conceptual green and public-space ratios; not statutory or built performance.

0

Real outcomes, approvals, G1 field execution and independent real-world retest.

162 / 162

Current exact package has component-level path decisions; independent legal/trademark review remains zero.

NO-GO

Real H01-H07 closure is unaccepted; competent parties retain rejection and deletion rights.

One Conclusion: Ordinary Life Does Not Yield to Verification

ORDINARY GROUND STAYS CONTINUOUS.
VERIFICATION STAYS BESIDE IT.

ORDINARY FIRST

Complete the meta-task without account, device or AI.

VERIFICATION BESIDE

Voluntary, announced, bounded, stoppable and removable.

FAILURE STOPS THE OVERLAY

Staff, ordinary route, correction and exit continue.

RECOVERY DOES NOT AUTHORIZE

Return the place before review; material gaps retain G0 / NO-GO.

G0 • PROVISIONAL • NO-GO

Official redline, exact anchors, real thresholds, responsible parties, approvals and independent real-world retest remain zero or unknown.
