PROVISIONAL GEOMETRY
Provisional design model; not an official boundary or area basis. Recalculate all plans, metrics, reports, and boards after official polygons are released.

Recalculation trigger: official polygons

Data: geometry/*.geojson; conceptual spatial plan, not a survey or construction commitment.

Land-use structure and renewal framework

Drawn from submitted GeoJSON coordinates · all nodes and corridors are conceptual

 Research and innovation

concept land-use layer

 Renewal buildings

pending survey and tenure
check

PROVISIONAL GEOMETRY

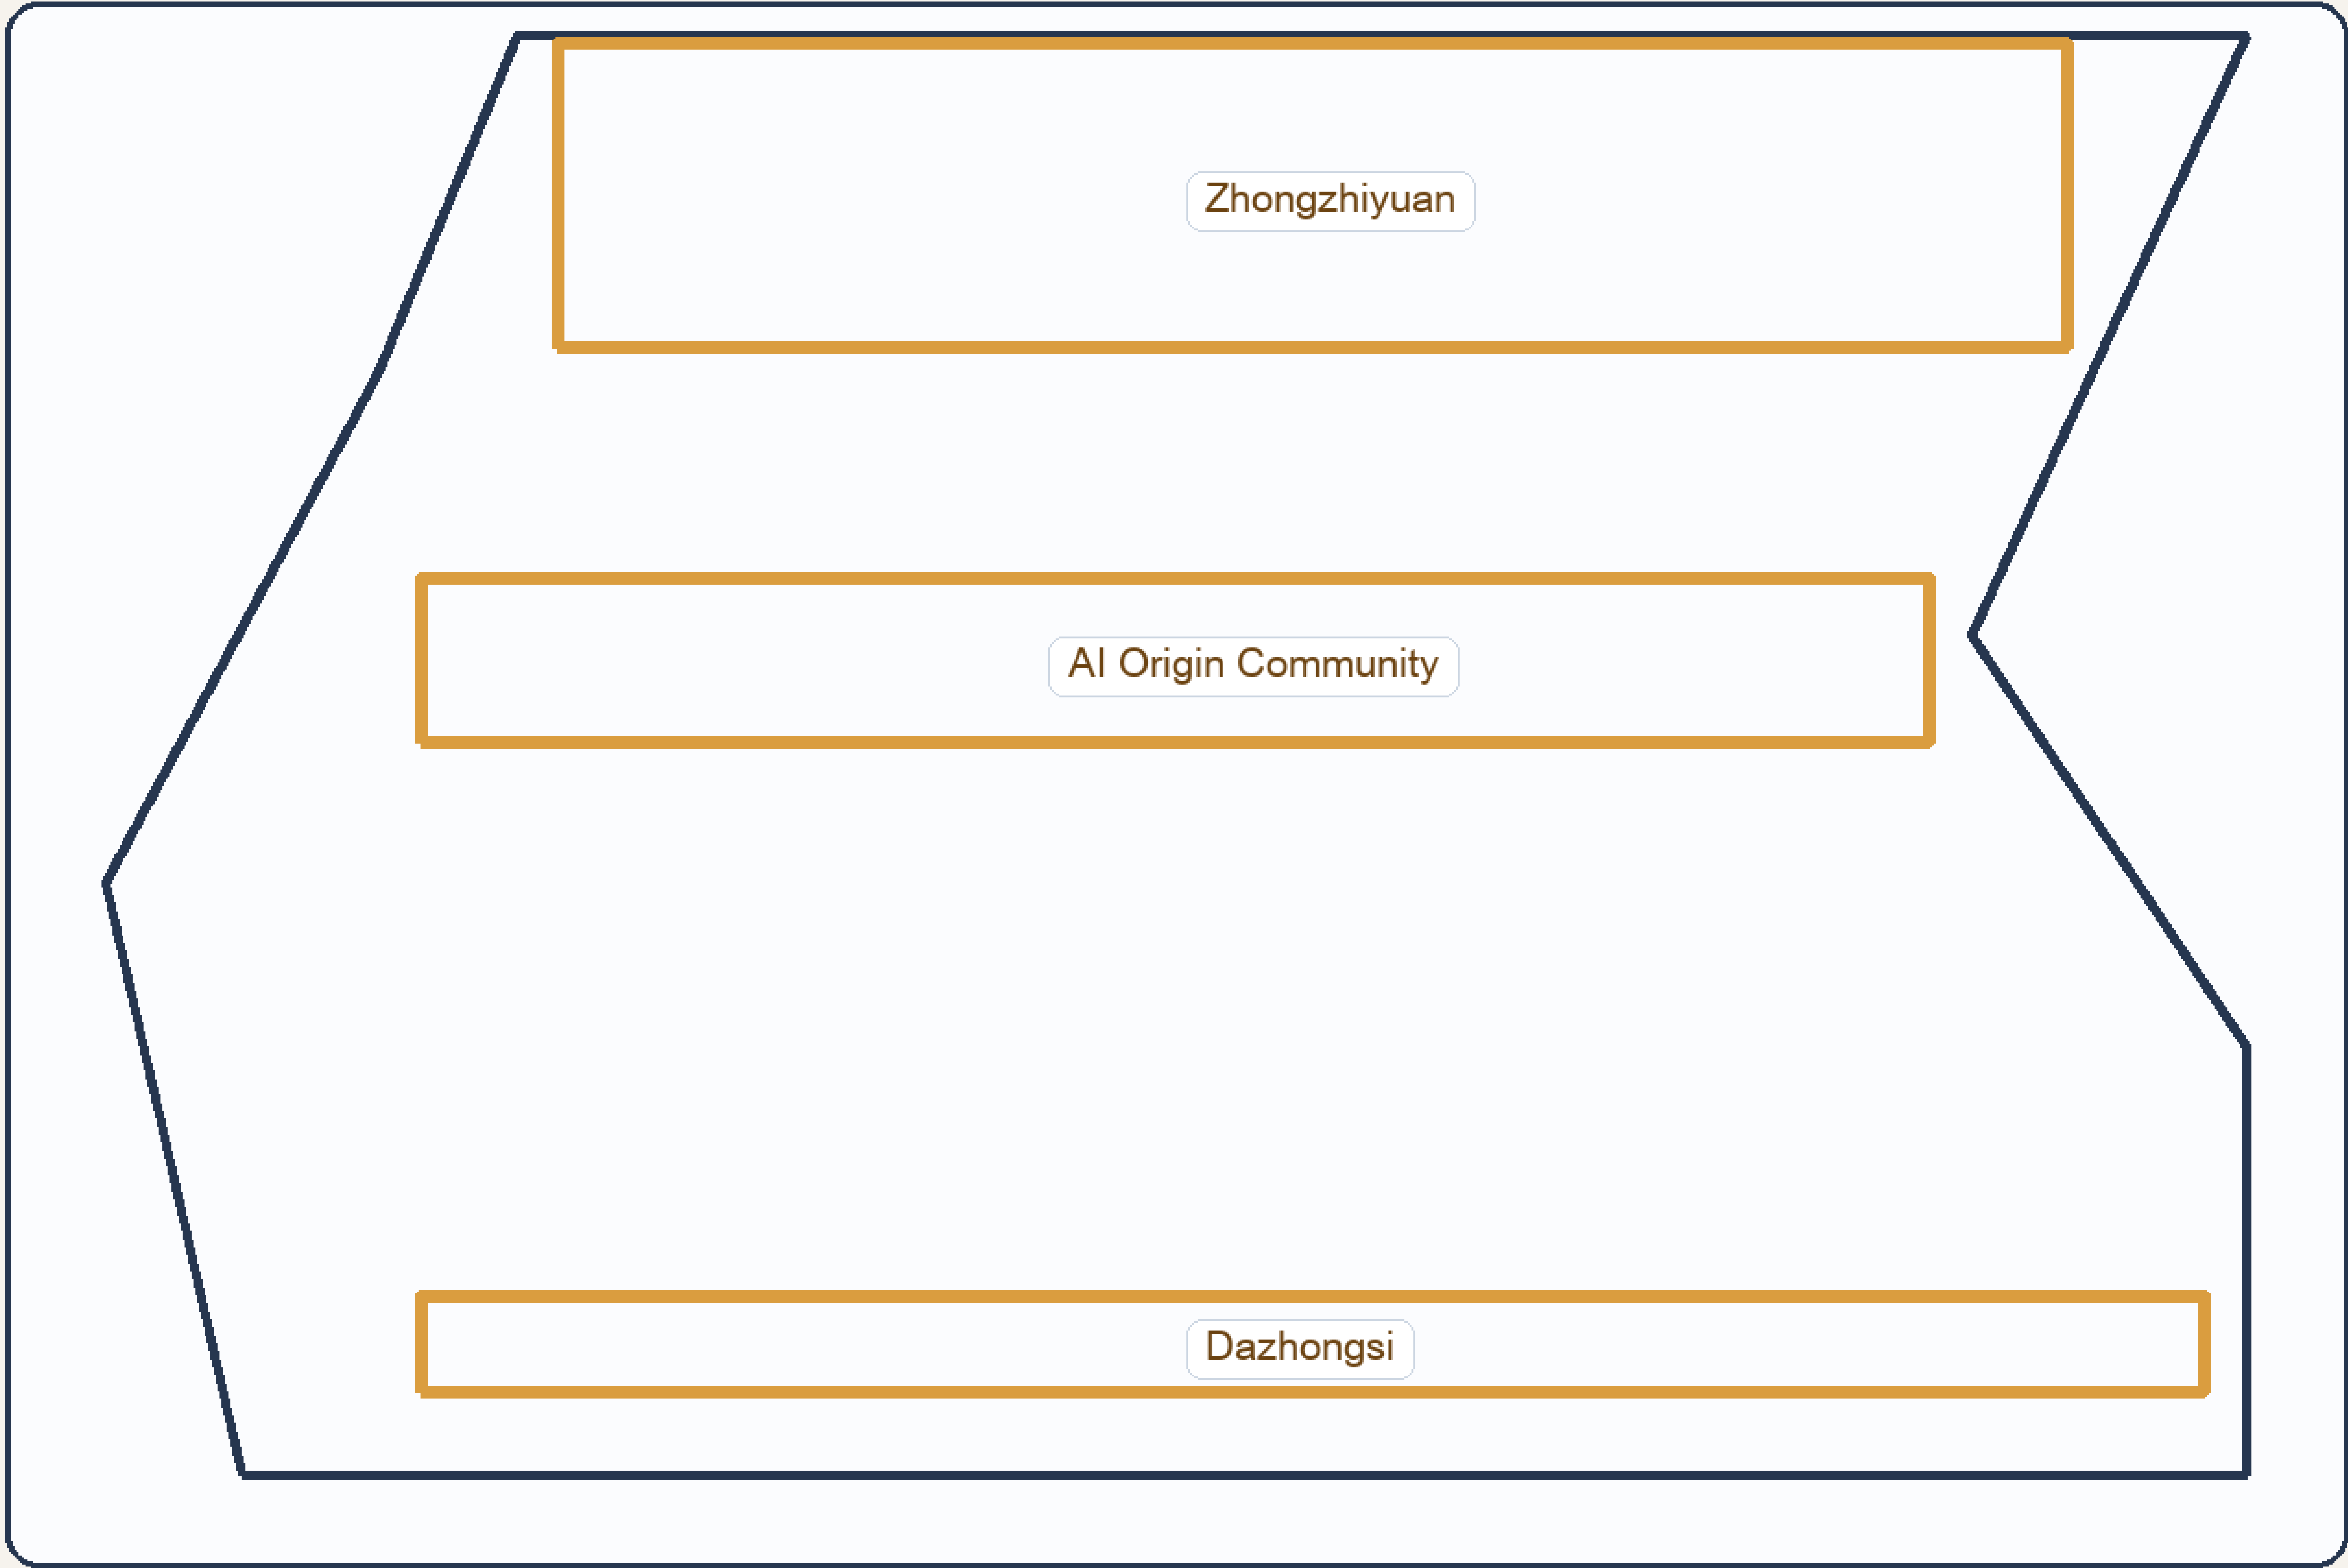

Provisional design model; not an
official boundary or area basis.
Recalculate all plans, metrics,
reports, and boards after official
polygons are released.

Recalculation trigger: official polygons

Data: geometry/*.geojson; conceptual spatial plan, not a survey or construction commitment.

Location-based index of the three key areas

Drawn from submitted GeoJSON coordinates · all nodes and corridors are conceptual

 Key-area boundaries

three provisional constraints

 Spatial anchors

location-based nodes

PROVISIONAL GEOMETRY

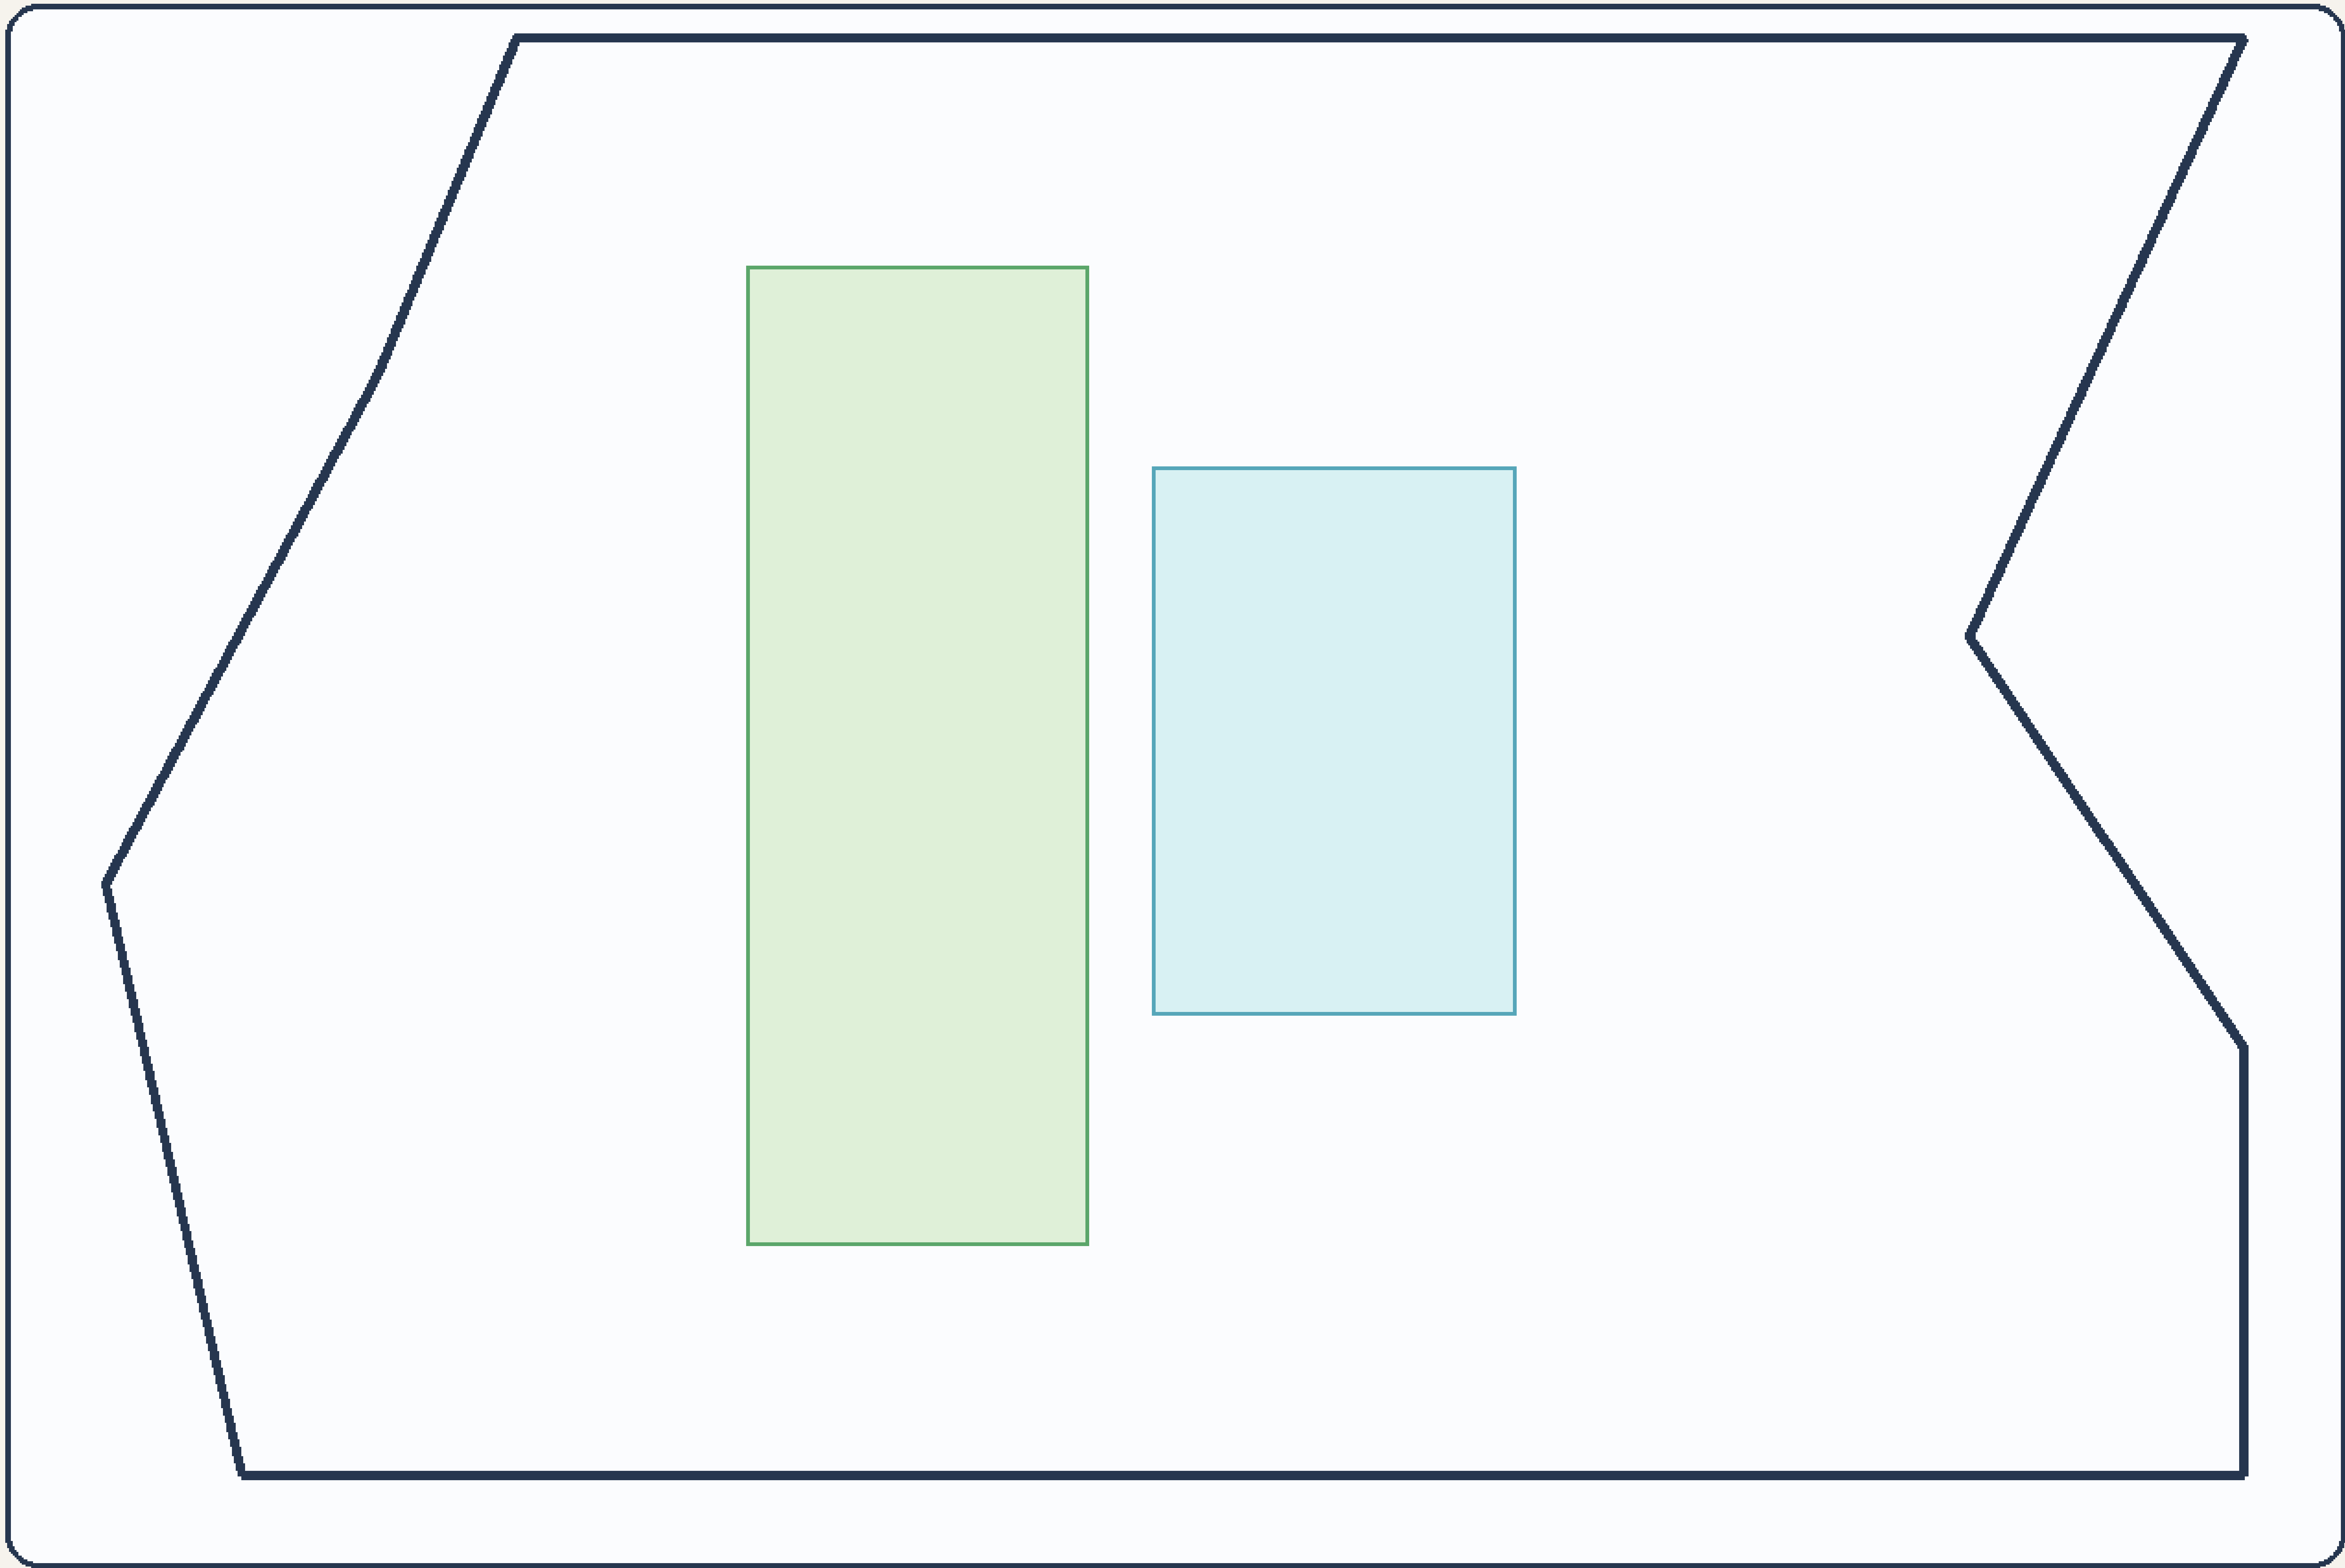

Provisional design model; not an official boundary or area basis. Recalculate all plans, metrics, reports, and boards after official polygons are released.

Recalculation trigger: official polygons

Data: geometry/*.geojson; conceptual spatial plan, not a survey or construction commitment.

Blue-green slow mobility and public-space network

Drawn from submitted GeoJSON coordinates · all nodes and corridors are conceptual

Green space

continuous blue-green network

Public space

slow-mobility and dwell interface

PROVISIONAL GEOMETRY

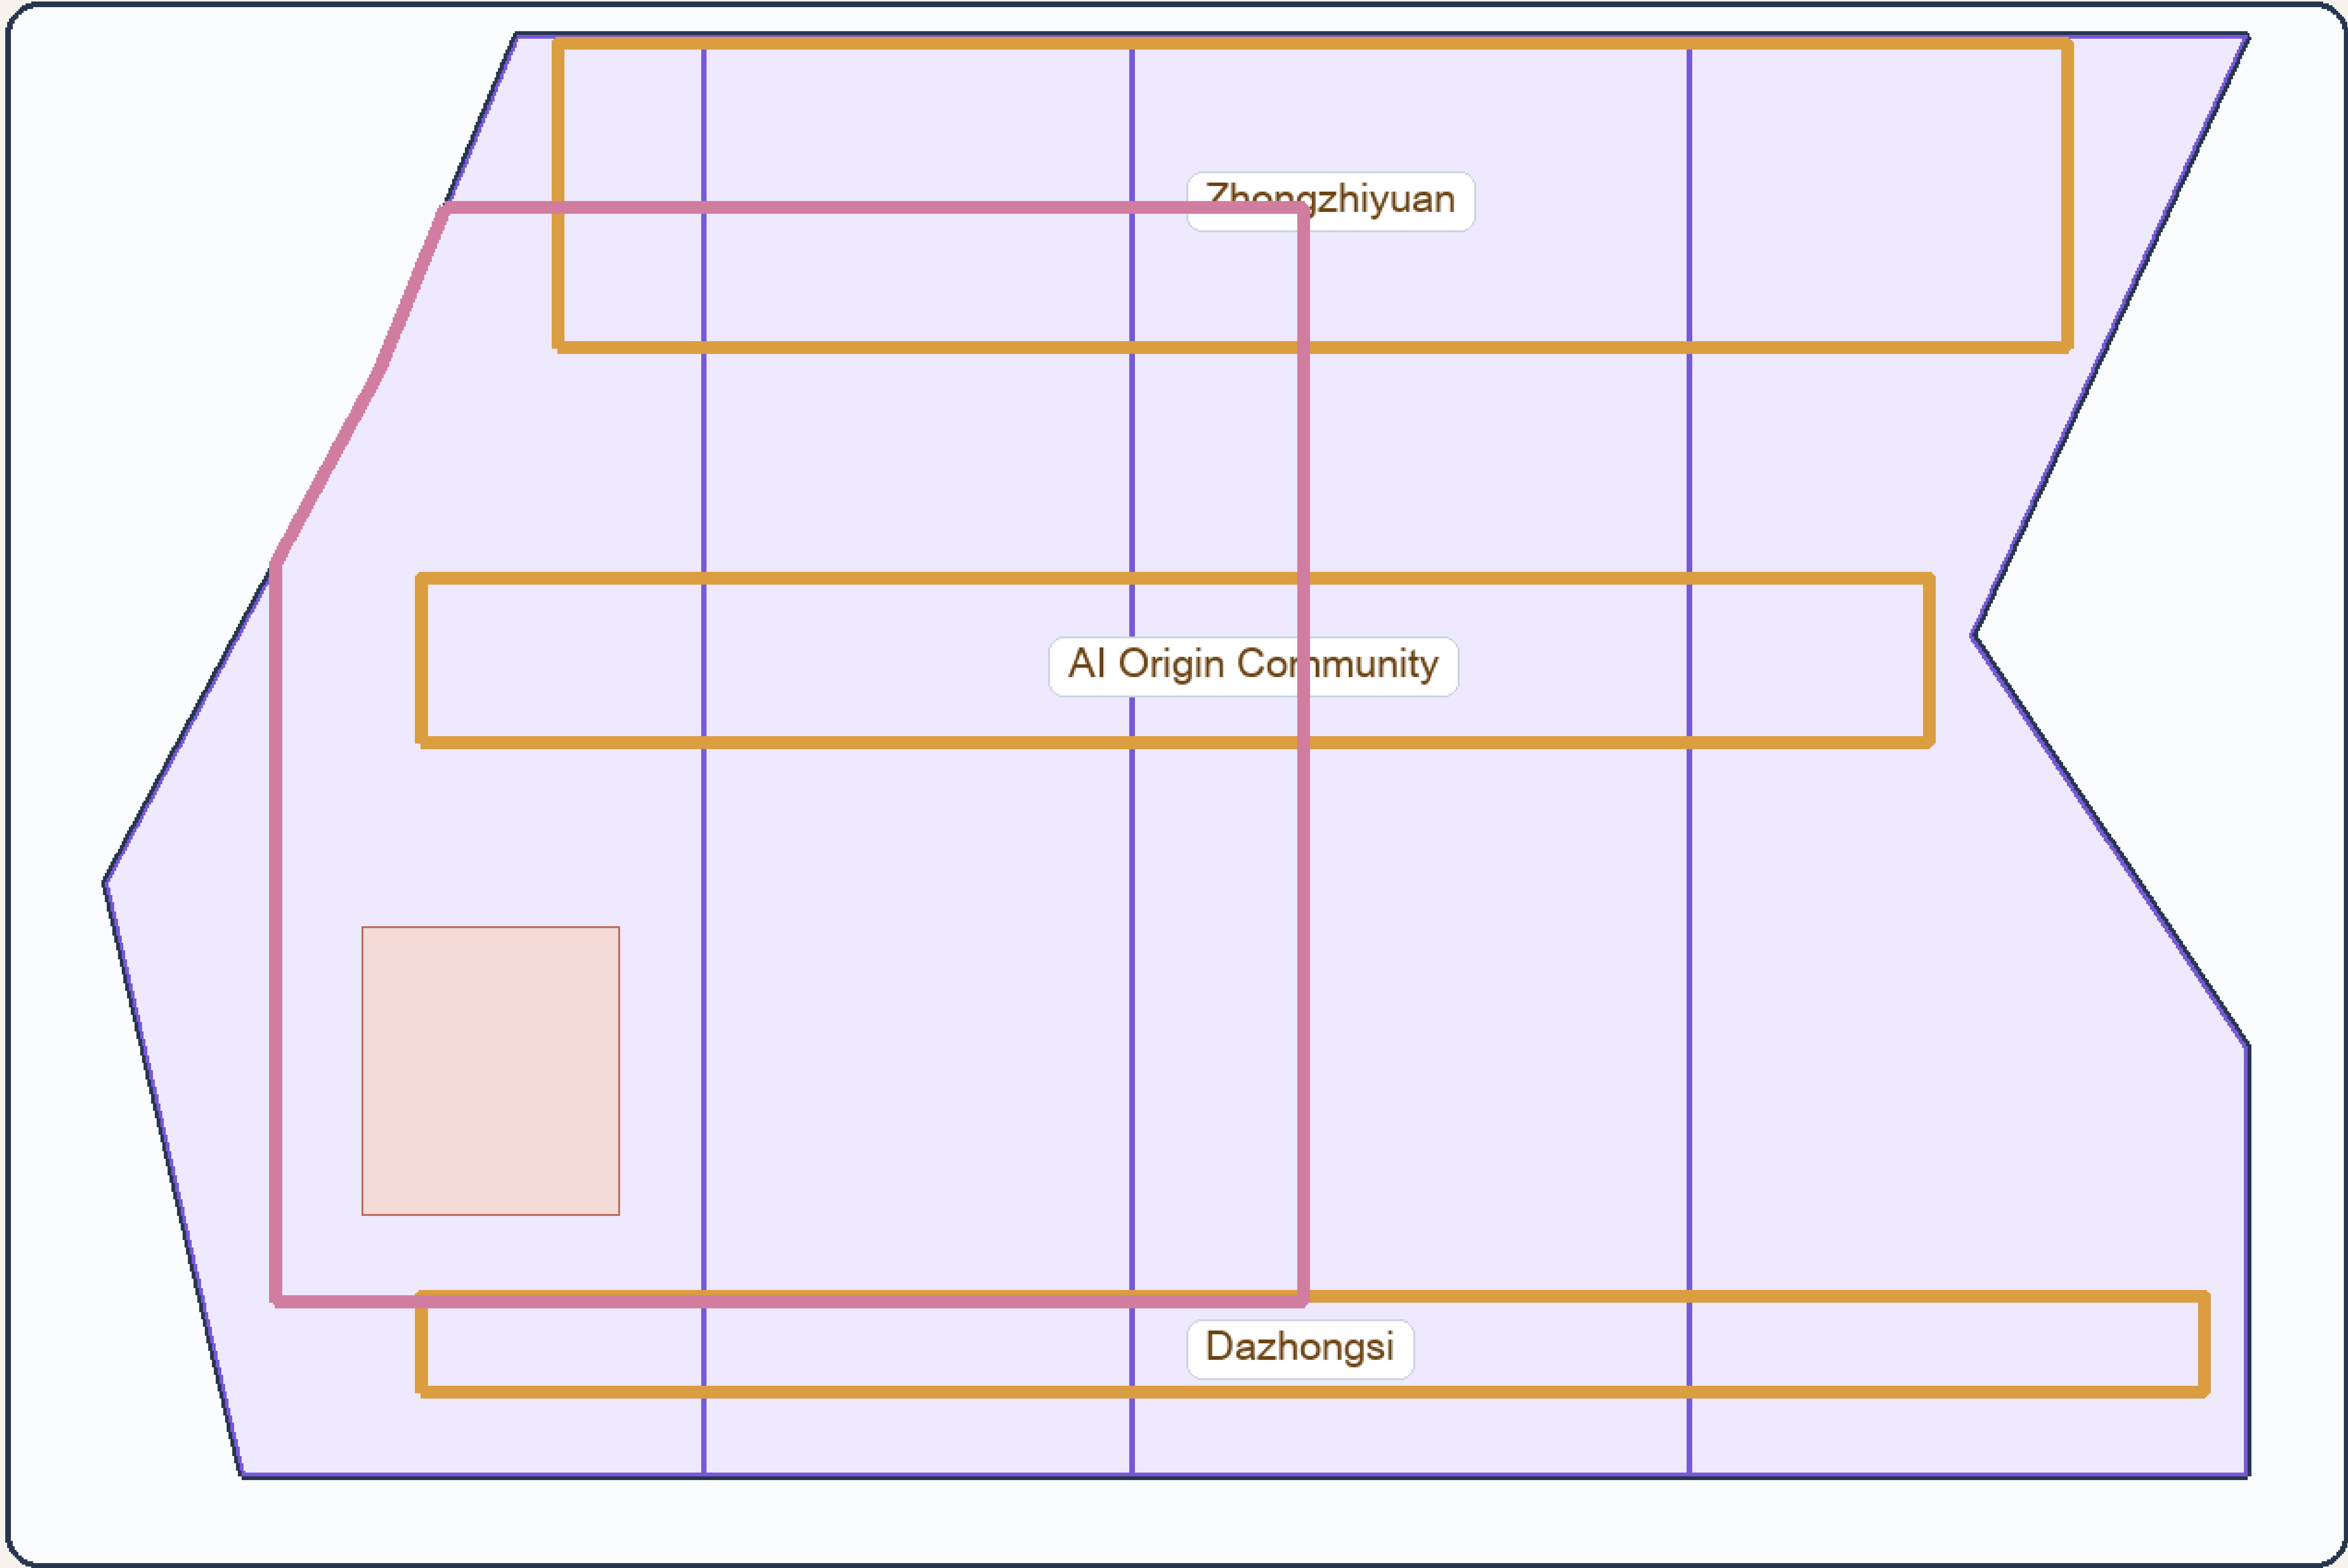

Provisional design model; not an official boundary or area basis. Recalculate all plans, metrics, reports, and boards after official polygons are released.

Recalculation trigger: official polygons

Data: geometry/*.geojson; conceptual spatial plan, not a survey or construction commitment.

Metrics, phasing, and evidence relationship

Drawn from submitted GeoJSON coordinates · all nodes and corridors are conceptual

~11.41 km²

provisional model area

12.34%

green-space ratio

7.33%

public-space ratio

3

key areas

PROVISIONAL METRICS

Computed from submitted design geometry; recalculate with official polygons.

Data: geometry/*.geojson; conceptual spatial plan, not a survey or construction commitment.
